ENGLISH LANGUAGE COURSES 2021

CQUniversity English provides you with the skills and confidence for everyday communication in English and academic study. Our highly qualified and dedicated teachers will help you experience learning English in a supportive environment, and our small classes mean you receive greater interaction with a strong focus on your wellbeing and success. No matter what your English needs are, we can help you reach your goals.

ENGLISH

Study an English course on its own and improve your command of English for everyday life. We have new class intakes approximately every five weeks with 20 hours per week of in-class time, providing plenty of time to practise your English when you're out exploring. This is perfect if you are living or travelling in Australia on a working holiday or temporary work visa.

PATHWAYS

Improve your English language skills with our English for Academic Purposes courses designed to meet the language proficiency requirements for most CQUniversity courses and transition to a diploma, undergraduate or postgraduate degree.
